Welcome to Primary Playdate!

Hi Teacher,

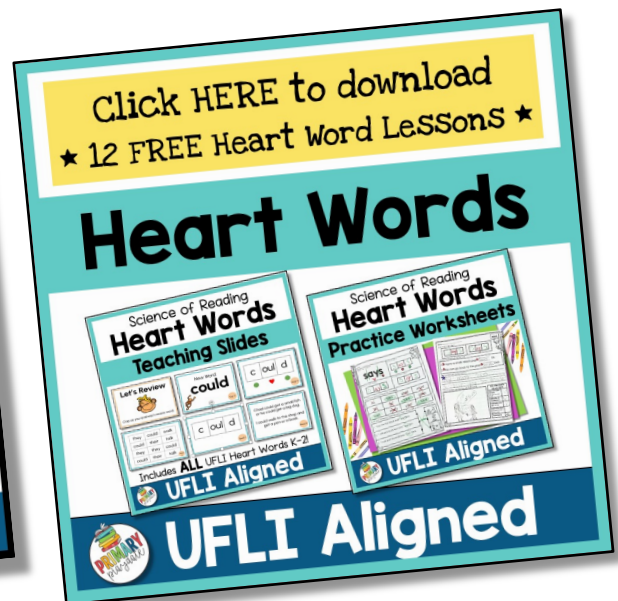

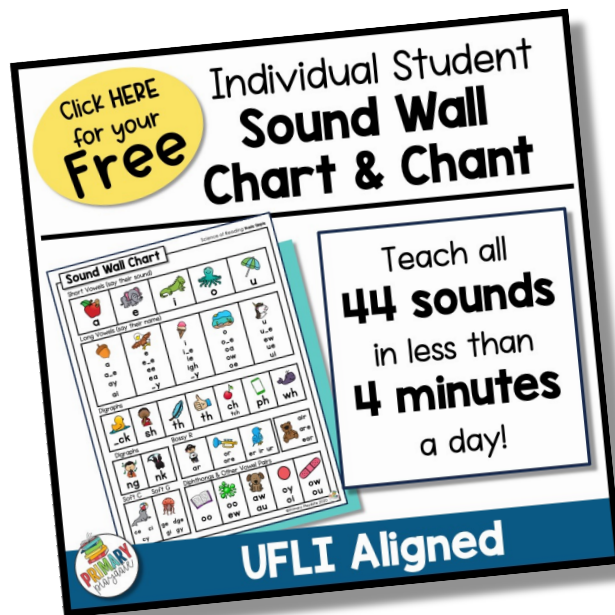

I'm so glad you grabbed this UFLI Scope & Sequence Freebie! I hope it helps you organize and plan your UFLI instruction for the year.

The first thing I do when I get a new curriculum is sit down and chart out the scope & sequence in a way that visually makes sense to my brain. With so many parts and pieces to teach, this list helps me stay organized.

I'm always creating new resources for my first graders to make my instruction more effective, engaging and EASY! I needs it to be EASY! And by easy I mean organized, prepped, and ready to teach.

When I started teaching with the UFLI Foundations last year I created a bunch of resources to make the UFLI Lessons more fun, help my kids practice new concepts, and to help ME stay organized.

I love sharing these resources with you, teacher friend. I really hope they help make your teaching FUN, EFFECTIVE, & EASY, too. Below are my 2 more free resources I've made to for my students. Take a look!

Happy Teaching!

Erin
